

BAY VIEW BARK, LLC

Roommate Waiver for Stay & Play Overnight Care

I understand that Bay View Bark LLC's regular policy for accommodating Stay & Play Guest Dogs is to assign each dog its own enclosure. I feel that my dogs will benefit from rooming together as opposed to separately; I believe it to be safe for my dogs to room together and wish Bay View Bark to place them in the same enclosure together during their Stay & Play Overnight Care.

I represent that my dogs have never shown competition or aggression with one another over food, water, toys or bedding and that they do not play rough together or engage in activities together that might cause injury or stress to either dog.

I agree that Bay View Bark and its employees, managers, directors and president retain the right to divide my dogs into separate Guest Rooms if they deem necessary to protect the health or safety of my dogs or keep the Guest House calm for the other dogs that are also housed there.

If there are actions that the Bay View Bark Staff could do beyond the Bay View Bark Safety and Compassionate Care Protocols to help ensure this is a safe and beneficial arrangement, I agree to share the details with staff prior to dropping off so necessary accommodation is made.

I hereby state that all the information I have provided to Bay View Bark LLC is accurate. If my decision to house my dogs in the same Guest Room results in injury or distress to either animal I agree to be fully liable for said outcome, including but not limited to all veterinary expenses, damage to property and injury to Bay View Bark Staff.
